SUMMARY

A fourth-year BS Information Technology student at Eastern Samar State University with hands-on experience in project documentation and QA testing for a proposed web-based government system, including system requirements, process documentation, and checking the system for errors and problems. Seeking an on-the-job training placement to apply and further develop these skills in a professional setting. Hardworking, detail-oriented, and a fast learner with a genuine eagerness to take on new responsibilities and contribute positively to a team.

TECHNICAL SKILLS

- **Web Development:** HTML, CSS, JavaScript fundamentals, responsive web design.
- **Systems & IT Support:** Requirements gathering, systems documentation, process/workflow mapping, basic troubleshooting, file management, and data organization.
- **Productivity & Collaboration Tools:** Microsoft Word, Excel, PowerPoint, Google Workspace (Docs, Sheets, Drive).
- **Emerging Tech:** AI fundamentals and practical use of AI tools (certified, Cisco Networking Academy).
- **QA Testing:** Software quality assurance (QA) testing.

SOFT SKILLS

- Team Collaboration & Adaptability
 - Problem Solving and Critical Thinking
 - Time Management
 - Strong Written & Verbal Communication
 - Coachability and Willingness to Learn
-

PROJECT EXPERIENCE

TESDA E-Assess — TESDA Eastern Samar Provincial Office Assessment Application and Processing System Project Documentation and QA Testing Team Member | Eastern Samar State University

- Documented system requirements, objectives, and scope for a proposed web-based government assessment and processing system used by TESDA's provincial office.
- Mapped and documented end-to-end system processes and workflows to guide the development team's technical design.
- Collaborated with a cross-functional team to review, revise, and finalize project documentation, ensuring clarity, consistency, and alignment with system requirements.
- Contributed to a completed project proposal package submitted for departmental evaluation.
- Served as the QA tester of the project, checking the system for errors and problems.

CampusBite Mobile App

UI Designer | Android Food-Ordering Mobile Application

- Designed the user interface of an Android food-ordering mobile application.
 - Worked with the development team so the interface supported the app's features and functionality.
-

CERTIFICATIONS

- AI Fundamentals: Foundations for Understanding AI — Cisco Networking Academy (2026)
 - Network Addressing and Basic Trouble Shooting — Cisco Networking Academy (2026)
 - Introduction to Cyber Security — Cisco Networking Academy (2026)
 - AI Fundamentals: Language and Vision in AI — Cisco Networking Academy (2026)
-

AWARDS AND HONORS

- Dean's Lister — Eastern Samar State University (First Year – Third Year)
-

LANGUAGES

- English, Filipino (Tagalog, Waray-Waray)
-
